This is a Safe Zone. To encourage our best work, we must create a safe environment for all. That means that we will practice respect and courtesy for and toward each other and that we should identify and address disrespectful comments or gestures in our classroom. If any student feels that our classroom is in any way uncomfortable, he or she is expected to speak with me as soon as possible. Together we will create an environment in which each of us can grow and learn and safe place for everyone; regardless of gender, gender identity, race, religion, sexual orientation, class, level, or physical or mental ability.

Everyday bring the following items to Class/Lab:

1. I pad (charged and ready to go)
2. Pens and pencils
3. A clear, alert, prepared mind.
4. Smile

Classwork/Homework

We will be using a class website throughout the year, most of class documents will be accessible through the class website.

Any homework assignments will be accessible from the website
